

Coordinator Fact Sheet

Who On-Site Coordinator

What Volunteer to intake bikes during our free bike repair clinics for youths, parents, and site staff. Our mechanics can fix almost any major repair issue and teach maintenance & safety.

Why You'd be surprised by how many youths bring bikes because of flat tires and other simple maintenance issues. Your support would keep us organized so we are able to assist as many students, parents and school staff as possible.

Where Location of BikeMobile at your site.
