

Alameda County Safe Routes to Schools Scavenger Hunt

Objectives:

Get ready to go on a hunt!

These scavenger hunts serve as a great way to encourage students to explore their community or home, have fun, and engage with their environment in new ways.

Implementation:

This activity can be done from home or outside with limited physical contact. The activity takes about 30 minutes depending on students' ability to identify scavenger hunt items.

Running the scavenger hunt:

Scavenger hunt rules:

- Circle the items you find on your worksheet
- Follow the rules of the road when exploring outside
- **BONUS: Take photos or draw pictures of the items you find**

Follow up questions:

- Is there anything you found today that you had never noticed in your community or home before?
- What is different about being a pedestrian as opposed to viewing things from a car?
- Which items were easiest to find? Hardest?

METROPOLITAN
TRANSPORTATION
COMMISSION

The Alameda County Safe Routes to Schools Program is a program of the Alameda County Transportation Commission (alamedactc.org) and is funded with Alameda County's local sales tax Measure B, regional, state and federal

Can you find these safety items in your neighborhood?

These items help keep you safe on your walk or bike to where you need to go.

Intersection	Stop sign	Yield Sign	Pedestrian walk signal
School zone sign	Sidewalk	Bike light	Yellow reflective vest
Helmet	Horn	Pedestrian stop signal	Crosswalk
Railroad crossing sign	Bike path	Crossing guard	Whistle

Alternative Activity: Can you spot these safety items around the house? Maybe while reading your favorite book?

The Alameda County Safe Routes to Schools Program is a program of the Alameda County Transportation Commission (alamedactc.org) and is funded with Alameda County's local sales tax Measure B, regional, state and federal funds.
