

Ongoing Walk and Roll December

Theme: Stay bright!

As the days get shorter and it gets dark earlier, it's important to stay visible when walking and rolling. Make sure you wear bright, reflective clothing to help drivers spot you on your walk and roll to and from school!

Activities your child or students might want to do before your walk and roll event:

- Double-check your bike or scooter to make sure you have lights attached to them to help you see when it's dark!
- Decorate your helmet, bike, or backpack with reflective stickers or tape.

Monthly Walk and Roll Challenge:

- Share your reflective and brightly colored outfit or how you decorate your helmet or bike with us to stay visible on social media! [Alameda CTC Safe Routes to Schools Facebook](#); [Alameda CTC Safe Routes to Schools X/Twitter](#)
