

Ongoing Walk and Roll September

Theme: Happy Transit Month!

September is Transit month, celebrating our public transportation systems everywhere. Did you know that we have 27 public transit agencies in the Bay Area? AC Transit, BART, Wheels, and Union City Transit are just a few of the transit agencies that offer rides across Alameda County.

Activities your child or students might want to do before your walk and roll event:

- Sign up for a [Youth Clipper Card](#) to access BART, AC Transit, and other local transit agencies in the Bay Area! Check out the [BARTable website](#) to find local places to explore on BART near you!
- Attend a [Transit month event](#) near you! Stay tuned on [BART's](#) and [AC Transit's](#) websites for more.

Monthly Walk and Roll Challenge:

- Go on some fun trips and use two types of public transportation during the month of September!
- Take a photo of your trip and tag the SR2S Program on Facebook (@saferoutestoschool) or Twitter/X (@AlamedaCoSR2S), and your photo just might make a special appearance on our social media page!

Make sure to use [these helpful tips](#) on your walk!

The Alameda County Safe Routes to Schools Program is a program of the Alameda County Transportation Commission (alamedactc.org) and is funded with Alameda County's local Measure BB sales tax, and regional, state, and federal funds.
