Safe Routes to Schools – Bike to School Day

Lace up those shoes and dust off those wheels: [Bike to School Day](#) is BACK on Thursday, May 14, 2026!

This annual event is a great opportunity for families and students to try bicycling or rolling to school for the first time, or to renew their commitment to healthy and safe travel. At [\[Insert School Name\]](#), Safe Routes to Schools Champions will greet riders and rollers with fun incentives like stickers and bike lights.

Remember, this event is not just for bikes! All active modes — including scooters, skateboards, roller skates, and walking — are encouraged.

Bike to School Day is an event organized by Alameda County’s Safe Routes to Schools (SR2S) Program, which is sponsored by the Alameda County Transportation Commission. For more information, visit [our website](#). If you have questions or want to get involved, contact [\[your school’s SR2S School Champion or site coordinator info\]](#) at [\[insert phone number/email\]](#).

P.S. Don’t forget, riders under 18 must wear a helmet. It’s the law! Be a “roll” model and wear your helmet, too.

See you out there!
